ARMinG Heroes Stuck at 58% of Goal; DBA International Pitches In

ARMinG Heroes (www.armingheroes.org), the accounts receivable management industry's non-profit dedicated to serving U.S. military veterans (hence "ARM" in "ARMinG"), is stuck at 58% of its goal of raising \$10,000 by Veterans Day, November 11, 2010, as a part of its **First Annual Veteran's Day Charity Fundraising Drive** ("the drive"),

The drive began at 8:46 AM EST on Saturday, September 11, 2010, and will conclude at 11:00 AM PST on Veterans Day, Thursday, November 11, 2010. The starting time coincided with the anniversary of the first attack on the World Trade Center in 2001, while the ending time coincides with the anniversary of the official cease fire at the end of World War I, a date later adopted for use as Veterans Day in the United States.

The goal of the drive is to raise \$10,000 or more and disburse most or all of the funds in time for the holidays, both directly to veterans who have applied for aid and indirectly through in-kind donations to one or more large national veterans' charities on behalf of the ARM industry. Through close of business on October 20th, the organization has received dozens of donations from companies, large and small, and from individuals, ranging from \$50 to more than \$500, with an average donation size just under \$300.

DBA International Pitches In

Six weeks into the drive, ARMinG Heroes has hit a wall after the wave of patriotism and financial support that marked the first few weeks. Enter DBA International (www.dbainternational.com) and Executive Director Roger Knauf, who has made it a personal mission to ensure that all DBA members are aware of this worthy cause. Earlier this week, DBA International made an announcement to all DBA members showing its support for ARMinG Heroes, and calling on DBA members to make a donation to the drive.

Even after the drive ends next month, DBA International's support will not end. Talks are currently in the works to help the organization with an in-kind donation of promotional support centered around DBA's 14th Annual Conference in February 2011. DBA members are encouraged to contact ARMinG Heroes to see how they can lend support to this cause if they plan to attend this event.
